READ THE FOLLOWING INFORMATION CAREFULLY

All exterior modifications to your property **MUST** be approved in advance. Please describe improvement and provide as much detailed information as possible. Your request may be returned if the application is not properly completed and/or more information is required. **A home owner signature is required.**

Homeowners are required to obtain all necessary/required permits. Any modification to an approved request will automatically change the decision to disapproved status. A final inspection of the project may be required as requested by the ACC or Board to verify the project was completed as approved.

I am the owner of the property and have submitted a complete application with samples, brochures and/or survey, and City or County permits as required. I also understand that my request may be returned if I do not have all the information attached. I agree not to start the improvement until I have been notified of the decision. I also understand that this request will be deemed **DISAPPROVED** if I do not complete the approved project exactly as submitted or alter the project at a later date.
